It's Wonderful How Resinol Stops Itching

To those who have endured for years the itching torments of eczema or other such skin eruptions, the relief that the first use of Resinol Ointment and Resinol Soap usually gives is incredible. After all the suffering they have endured and all the useless treatments they have spent good money for, they cannot believe anything so simple, mild and inexpensive can stop the itching and burning INSTANTLY! And they find it will more wonderful that the improvement is permanent and that Resinol really drives away the eruption completely in a very short time. Perhaps there is a pleasant surprise like this in store for you. Resinol Ointment and Resinol Soap are sold by all druggists.

A Good Soap For Baby Skin
A good baby soap should contain soothing, healing properties to prevent the rashes and chafings to which babies are liable. That is why so many physicians recommend Resinol Soap.

AMUSEMENT NOTES

"The Princess Pat" Has Musical Lines That are Fine.

That eminently successful musical production, "The Princess Pat," is soon to be seen in this city. It is the joint work of Victor Herbert and Henry Blossom. The plot begins with the cynical assumption that "married men make the worst husbands." "The Princess Pat," in order to arouse her indifferent spouse, flirts with an elderly German named Schmalz. Not only does she succeed in winning back the love of her husband, but she succeeds in breaking the engagement between Schmalz and her friend, Grace Holbrook, and thereby makes a clear road for young Schmalz, a dashing young Yale student.

Mr. Blossom, one of our best librettists, has given it a real plot and many witty lines, but more, it has a tuneful score by a great composer, and what is equally important, it is well staged and well sung. All through the opera there is a pungent atmosphere of holiday, melody, fun and love interest.

Mr. Herbert has provided a score of beautiful melodies and song hits galore. All shades of coloring are found in the score and "The Princess Pat" is one of his best works. It is warm and tender in love numbers, swift, sparkling and light in other parts. Throughout the opera is of pleasing richness, from the opening number until the final curtain. The musical numbers are fine, some can be classed as gems and Mr. Blossom's best aid has been given in the twenty lyrics he has contributed to the piece. The opera will be presented in this city with a splendid cast of principals, an efficient chorus and an augmented Herbert orchestra, at the opera house Monday evening, March 6—adv.

"When Dreams Come True" Was Good.
A bright, clean musical comedy was Philip Bartholomae's "When Dreams Come True," which was presented at the Barre opera house last evening by a company which was good but which was somewhat handicapped by reasons of the vagaries of the weather. William Frutette, Jr., in particular had fallen a victim to the influenza to such an extent that his singing voice was all but gone for the time being, albeit his stage presence and mannerisms almost made up for the absence of his singing. Miss Edna Temple as the "dream girl" was equal to the part in both singing and dancing. Miss Connie Mack, who had the "black on white" chance for getting a husband, etc., was a fun-maker in the role of Matilda, while James H. Crowley as Hercules Strong, the "detective," put many a "suspicious" tinge into the progress of events. The play drew many a laugh and a great deal of applause, considering the rather small size of the audience.

At the Pavilion to-night, "The Fortune Hunter," the great six-reel feature, will be given with other pictures. Next Monday Joe McAuliffe, with his big musical company of 17 people, will begin a week's engagement of six nights and Wednesday and Saturday matinees, presenting an entire new program at every performance. This attraction is guaranteed by the management to please. Read the ad.—adv.

ECHOES FROM WEST TOPSHAM

West Topsham Happenings Always Interest Our Readers

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this West Topsham resident leaves no room for doubt on this point.

Mrs. Hattie F. Dodge, West Topsham, Vt., says: "When I got up in the morning, my back seemed as if it would break. It felt as if a rope was bound tight across my kidneys, causing almost unbearable pain. I could not rest comfortably in any position and I got up in the morning feeling worn out. Doan's Kidney Pills acted directly on my kidneys and soon made them normal."

Price 50c, at all dealers'. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dodge had. Foster-Milburn Co., Props., Buffalo, N. Y.

BETHEL.

Town Almost Cut Its Debt in Half Last Year.

The annual report of the town officers has been printed and distributed. Exclusive of school business it appears from the report that during the year ending Feb. 5 \$4,835.34 was paid on the indebtedness which stood a year ago at \$9,741.26. As the disbursements of the year, exclusive of debt payments, exceeded the receipts by only \$233.16 there was a net reduction in the debt of \$4,598.18, leaving the net debt \$5,139.08, an excellent showing. Although the report of the town school directors was not audited it appears that there also has been a gain in this department, indicating a lower school tax next year with prospect of wiping out town indebtedness if the present town tax rate is maintained another year. The grand list of the town was \$12,708.49. The town tax rate was \$1.25 and town school tax rate \$1. The graded school district tax was 75 cents and the fire district tax 50 cents. The fire district tax for the ensuing year has already been fixed at 25 cents, but the graded school district tax, now 75 cents, may need to be somewhat higher another year. The most probable town tax is \$1.25 and town school tax 75 cents.

Moses Clukey is ill at the home of his daughter, Mrs. Thomas Lee.

Dr. R. M. Chase is now well settled in his new dental office in the bank building. He has a full electric equipment, new dental chair and new furniture in general.

Miss Louise Dearing, who teaches in Beverly, Mass., is at home for a short vacation.

Fifteen persons attended the first meeting of the Bethel Dramatic club on Thursday evening at the library building, when officers were elected as follows: Rev. W. C. Harvey, president; Harold P. Perkins, vice-president; Robert Morrison, secretary; Albert B. Washburn, treasurer and business manager; Paul F. Wilson, advertising manager; Mrs. A. L. Cady, Mrs. G. A. Marsh, C. O. Spaulding, Guy W. Merrill, George B. Chase, executive committee. It is hoped that by giving plays once a month new scenery may be procured for the town hall.

The Bethel town basketball team took a good lead early in its game with the Windsor town team last evening and held it throughout. The game contained many fine individual plays and quite an amount of teamwork on Bethel's part. Windsor's big center played a brilliant game, especially in the third period. The summary:

At National Association of State Supervisors at Detroit.

Detroit, Mich., Feb. 26.—Home economics formed an important part of the discussion of the delegates at the National Education association, department of superintendence yesterday.

Papers were read at the meeting of the American Home Economics association on the amount of time which should be given to training in domestic science.

Training of students in the so-called useful arts took up the greater part of the sessions of the National Association of State Supervisors and Inspectors of Rural Schools. Mrs. Bertha H. Burridge of Vergennes, Vt., gave an outline of the simple equipment necessary and the few principles applicable to the instituting of a domestic science course in any rural school.

Charles D. Kingley, high school inspector of Boston, read the report on the commission on the reorganization of secondary education at the session of the superintendents.
